

Little Mozarts Day Care and Activity Centre

WELCOME TO OUR SCHOOL!

Our aim is to provide a happy, hygienic, healthy and safe environment for your child to grow in knowledge and skill development, setting the foundation to transition smoothly into their Primary School environment. At Little Mozarts we strongly believe that children working together will create a melody. Each of your children represents a unique note; with the correct grooming, we will create a synergy amongst our learners.

About Us

Little Mozarts operates strictly within our private school academic calendar terms. This is your child's home away from home hence we do our utmost to make it interesting, adequate and exciting for them. Newsletters are sent out on a regular basis keeping you informed of what we are up to. We do have a "Suggestion Box" facility that we analyze on an ongoing basis, as we strive for excellence.

During the school holidays, we have an edutainment holiday program that will keep your child excitedly involved in educational, fun and exciting days, for them to use their time fruitfully, but at the same time FUN-FILLING!

Each teacher prepares her lesson plans the week before and it is approved and placed in plain view for all parents to look at. Our curriculum comprises of the following:

- Gross motor development
- Fine motor skills
- Social skills
- Life skills
- Literacy
- Numeracy
- Perception
- Music and song
- Creative activities
- Science experiments
- Bible

Our curriculum comprises of content in accordance with the age level of our learners.

OUR BABY CUBS

Our Baby Class ("Baby Cubs") operates slightly differently to the rest of the school. Hence, we are fully aware and excellently equipped to give them the tender love and care they need. No set time is allocated for them to arrive at school, but they will be warmly welcomed from 06:00 every day.

Our baby teacher will be enthusiastic in our communication to you about your little one(s)'s day at school.

Every day she will fill out a Baby Monitor Sheet for each baby which indicates when and what they have drank, ate (with times) and an indication of the times of their nappy changes...

When your little one starts eating solids, we will gladly start giving them our school food, adjusted to the relevant age group, but in the meantime our parents are requested to bring the following:

- ✓ Formulae
- ✓ Bottles
- ✓ Juices/ Teas
- ✓ Purity
- ✓ Yogurts
- ✓ Nappies
- ✓ Wet wipes
- ✓ Bum Cream
- ✓ Sun Screen

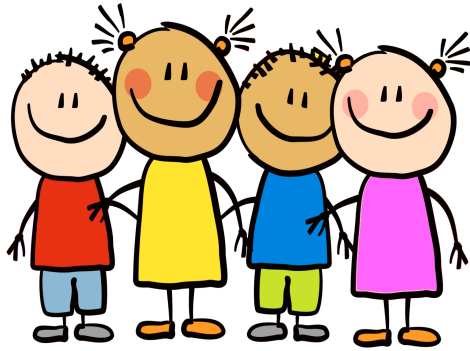

A blanket for sleeping, which will be placed in your bag every Friday to be washed.

All linen in our cots are done every Friday (washed and ironed). Every Monday a new set of linen is put on.

Our Baby Cubs are our pride and joy; hence we only take a limited amount to ensure every child has the attention they need. Our Baby class is filled with exciting, educational toys for each baby to explore and enjoy.

**We look forward to welcoming
your little one into our wonderful
family!**

OUR TODDLERS

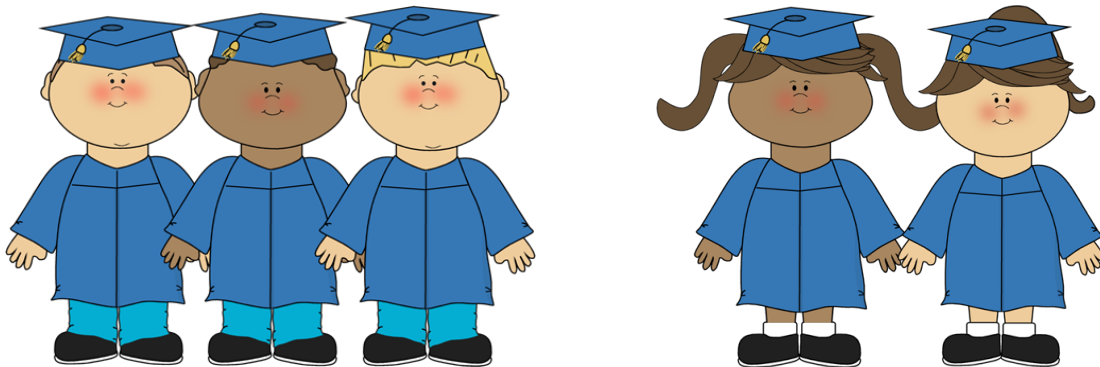

18 months - 3 years

An educational approach known as "play-based learning" makes play a key part of the learning process. It acknowledges that children learn best when they actively participate and explore in a fun and meaningful environment. Children's play helps them develop by encouraging them to use their creativity, take chances, and learn how to solve problems.

We are delighted to adapt this approach with all our toddlers and are always excited to help them have fun while learning and discovering the world at school.

We accommodate 18 children per class to ensure that each child has the adequate supervision and attention they need

We accommodate potty training from 18 months (1 year 6 months)

OUR PRE-SCHOOLERS

4 - 6 Years Old

Here at Little Mozarts we believe that every child is unique and various in his / her uniqueness. We strive to work with the identified strengths that your child portrays and develop them according to their specific curriculum. A well-organized daily program is followed during term time. This includes a range of activities designed to get your child ready for Primary School.

- ☐ Terms are set according to the Department of Basic Education

- We accommodate 18 children per class to ensure that each child has the adequate supervision and attention they need

GENERAL

Reports and Parents Evenings

As the year progresses, your child is gaining more and more knowledge, which is predominantly checked and kept record of. Hence a report card will be issued to you twice a year in July and December. This is vital, as this will give you an indication of your child's academic status. More so, if any challenges are identified we are able to communicate that to you at the appropriate stage and develop a solution. In addition to the progress report we also have a parent's evening twice a year in March and December, where questions and concerns can be personally raised with your child's/ children's applicable teacher.

Meals

Breakfast is provided from 08:00am until 08:30am

Lunch is provided at 12:00pm
