

# Little Mozarts Day Care and Activity Centre

## After Care Facility

### Welcome

School is a fun and exciting place to receive the great benefit of education. Learning is a lifelong process, that does not just end when the bell for “after school” rings. For this reason, schools make it a priority to ensure that the respective necessary skills for their learners are being mastered, through the medium of homework.

Your child’s/children’s real learning takes place, when they begin to find their platform of independence, in attempting to completing their work, independently. Here at Little Mozarts, we strongly believe that knowledge is power. Hence, every amount of effort and input from our tutor is ensured to be placed in your child’s personal performance in their academic walk.

Our daily and ongoing routine is aimed in ensuring that adequate study habits are correctly developed. Therefore, we (on assessment of your child’s/ children’s performance) provide a time frame for extra work and support for learners that may find specific subject challenges e.g. mathematics and language.

We do provide a transport facility – STRICTLY FOR AFTERSCHOOL, from their primary school to Little Mozarts.

### Services

Please note that we only provide aftercare for grades R-7.

Our services that we offer are for the following categories :

- Homework
  - Our learners are assisted in the completion of their homework, covering all required tasks from the school.
- Study Time
  - During the course of exams, our tutor assists our learners, with different study methods and required respective assistance.
- Project Support
  - A certain degree of assistance is issued, on instruction, by our tutor, to our learners, in assistance to their projects and assignments to be completed during the respective term.

**Times** : Our aftercare facility, opens and closes in accordance and accommodation to the private and public school calendar. Hence, we are able to then accommodate every learner.

**Food** : A lunch will be provided by the school, with a snack and juice later in the day. If, for whatever reason, your child/children do not eat the food provided by us, we do kindly require that you provide the adequate food.
